Dear participants,

We would like to express our cordial gratitude to your kind cooperation towards the 62nd Annual Meeting of the Japanese Society of Neurology, which has taken place in Kyoto along with a virtual format.

Unfortunately, COVID-19 pandemic prevented your on-site participation in Kyoto meeting this time. We really appreciate your very kind cooperation in pre-recording of your presentation. We hope to keep in touch with you for our future collaboration and cooperation for the development of this field. We very much look forward to having opportunities to meet with you in Japan in the near future.

Thank you again and give our best regards to your family and colleagues.
