

Neurology in Today's Society 1

NS-01 May 20 (Wed) 9:50~11:50 Room3(Toki Messe201, 2F)

Ethics and Practice of Clinical Research: What does our Society ask for ?

Chairs: Sadayoshi Ohbu

(Department of Sociology, Rikkyo University)

Takashi Moritoyo

(Unit for Early and Exploratory Clinical Development, The University of Tokyo Hospital)

NS-01-1 What are the "benefits" of clinical research?

Speaker: Shimon Tashiro

(Office for Promoting Medical Research, Showa University)

NS-01-2 New Ethics Guideline and its Impact on Clinical Research in Japan

Speaker: Hiroshi Watanabe

(Department of Clinical Pharmacology and Therapeutics, Hamamatsu University School of Medicine)

NS-01-3 Management of Conflict of Interest and Reliability in Clinical Research

Speaker: Yoshihiro Arakawa

(Clinical Research Support Center, The University of Tokyo Hospital)

NS-01-4 Education for Clinical Researchers

Speaker: Kenji Matsui

(Office for Research Ethics & Bioethics, National Cerebral and Cardiovascular Center)

Neurology in Today's Society 2 (Proposed Symposium)

NS-02 May 20 (Wed) 9:50~11:50 Room13(Hotel Nikko NiigataToki-B, 4F)

How to diagnose and treat neurotoxic disorders

Chairs: Akira Tamaoka

(Department of Neurology, Faculty of Medicine, University of Tsukuba)

Toshio Fukutake

(Department of Neurology, Kameda Medical Center)

NS-02-1 Adult health hazard due to organoarsenic (diphenyl arsenic acid) intoxication

Speaker: Kazuhiro Ishii

(Department of the Neurology, Faculty of Medicine, University of Tsukuba)

NS-02-2 Intoxication of organic arsine in pediatric cases

Speaker: Nobuaki Iwasaki

(Department of Pediatrics, Center for Medical Sciences, Ibaraki Prefectural University of Health Science)

NS-02-3 Encephalopathy among patients of renal failure after ingestion of Sugihiratake.

Speaker: Takeo Kuwabara

(Department of Neurology, Jobu Hospital for Respiratory Diseases)

NS-02-4 Early diagnosis of manganese intoxication

Speaker: Toshio Fukutake

(Department of Neurology Kameda Medical Center)

NS-02-5 Neurotoxicity of organic solvents

Speaker: Masato Matsuoka

(Department of Hygiene and Public Health (1), Tokyo Women's Medical University)

Neurology in Today's Society 3 (Proposed Symposium)

NS-03 May 20 (Wed) 13:15~15:15 Room3(Toki Messe201, 2F)

What is patient safety dealing with falls and wandering?

Chairs: Ikuko Aiba

(Department of Neurology, National Hospital Organization
Higashi Nagoya National Hospital)

Hagiko Aoki

(School of Health Sciences, Faculty of Medicine Niigata
University)

NS-03-1 About wandering problem of local clinic dementia patients

Speaker: Yasuhiro Kawase

(Kawase Neurology Clinic)

NS-03-2 Legal views on wandering by the demential patient

Speaker: Masayuki Ohira

(Department of Neurology Mito Red Cross Hospital)

NS-03-3 Preventing falls among older people with dementia

Speaker: Mizue Suzuki

(Hamamatsu University School of Medicine, Faculty of
Nursing)

NS-03-4 Fall prevention in neurological disorders

Speaker: Ikuko Aiba

(Department of Neurology, National Hospital Organization,
Higashi Nagoya National Hospital)

Neurology in Today's Society 4 (Proposed Symposium)

NS-04 May 21 (Thu) 8:00~10:00 Room3(Toki Messe201, 2F)

Patient autonomy in intractable diseases: How do we respect patients' wishes

Chairs: Tetsuo Komori

(National Hakone Hospital)

Seiji Kikuchi

(Department of Neurology, Hokkaido Medical Center)

NS-04-1 Communication seminars for doctors

Speaker: Tetsuo Ando

(Department of Neurology, Anjo Kosei Hospital)

NS-04-2 Artificial respiration and self-determination support

Speaker: Atsushi Asai

(Department of Medical Ethics, Tohoku University Graduate School of Medicine)

NS-04-3 Palliative care for intractable diseases and support of their decision-making

Speaker: Mieko Ogino

(Kitasato University School of Medicine, Research and Development Center for New Medical Frontiers, Department of Comprehensive Medicine, Division of Integrated Care and Whole Person Care)

NS-04-4 A Study about bereaved families of the patients of Amyotrophic Lateral Sclerosis

Speaker: Emiko Tanaka

(Tokyo Kasei University Department of Humanity and Science)

Neurology in Today's Society 5 (Proposed Symposium)

NS-05 May 21 (Thu) 15:10~16:50 Room10(Toki MesseExhibition Hall B-2, 1F)

Problems of car driving and neurological disorders

Chairs: Takayoshi Simohata

(Department of Neurology, Brain Research Institute, Niigata University)

Hideo Hara

(Department of Neurology, Saga University Hospital)

NS-05-1 Evidence Fit to Drive

Speaker: Etsuo Horikawa

(Brain & Mobility Research Laboratory, Division of Cognitive Neuropsychology/Center for Motion Analysis & Mobility Development, Faculty of Medicine, Saga University)

NS-05-2 Sleep disorders and driving risk

Speaker: Yuichi Inoue

(Department of Somnology, Tokyo Medical University/ Yoyogi Sleep Disorder Center/Neuropsychiatric Research Institute)

NS-05-3 Epilepsy and driving

Speaker: Masato Matsuura

(Tokyo Medical and Dental University/Tazaki Hospital)

NS-05-4 Driving ability in Parkinson's disease

Speaker: Nobuo Araki

(Department of Neurology, Saitama Medical University)

NS-05-5 Medical advice for the diseased or handicapped persons with vehicle driving

Speaker: Masahito Hitosugi

(Shiga University of Medical Science)

Neurology in Today's Society 6 (Proposed Symposium)

NS-06 May 21 (Thu) 15:10~16:50 Room3(Toki Messe201, 2F)

A panel discussion: Looking for suitable regional cares for patients with intractable neurological diseases under the new basic act.

Chairs: Yugo Narita

(School of Nursing, Faculty of Medicine, Mie University)

Yoshiyuki Numasawa

(Department of Neurology and Neurological Science, Graduate School, Tokyo Medical and Dental University / Aozora Clinic)

NS-06-1 A family doctor is a bridge between home medical care and hospital medical care

Speaker: Kenji Yamanaka

(Sasagawa Clinic of Gastroenterology)

NS-06-2 Multidisciplinary cooperation and remote communication for intractable disorders

Speaker: Akinori Nakamura

(Intractable Disease Care Center, Shinshu University Hospital)

NS-06-3 Cooperation with medical staffs & patients :the point of view of a coordinator

Speaker: Yaeko Takojima

(Coordinating committee of Hokkaido intractable disease network)

NS-06-4 Cooperation between neurologist and PHN for the patient with intractable disease

Speaker: Tetsuo Komori

(National Hakone Hospital, Center for Neuromuscular and intractable disease)

Neurology in Today's Society 7 (Proposed Symposium)

NS-07 May 21 (Thu) 15:10~16:50 Room14(Hotel Nikko NiigataHouoh, 30F)

Sports Neurology – Role of Neurologist –

Chairs: Fumihito Yoshii

(Department of Neurology, Tokai University School of
Medicine)

Teruo Shimizu

(Department of Sports and Medical Science, Faculty of
Medical Technology, Teikyo University)

NS-07-1 Aim of Sports Neurology

Speaker: Fumihito Yoshii

(Department of Neurology, Tokai University School of
Medicine)

NS-07-2 Sports and exercise in neurology

Speaker: Koji Abe

(Department of Neurology, Okayama University)

**NS-07-3 Sports participation and safety aspect in the patients
with epilepsy**

Speaker: Sadatoshi Tsuji

(School of Health Sciences at Fukuoka, Department of Medical
Technology and Sciences, International University of Health
and Welfare)

NS-07-4 Physical exercise and neurological disease

Speaker: Motohiko Hara

(Saitama Prefectural University)

Neurology in Today's Society 8 (Proposed Symposium)

NS-08 May 22 (Fri) 8:00~10:00 Room3(Toki Messe201, 2F)

What neurologists can do after the disaster

Chairs: Yasuo Terayama

(Division of Neurology and Gerontology, Department of
Internal Medicine, School of Medicine, Iwate Medical
University)

Katsutoshi Furukawa

(Department of Geriatrics and Gerontology, Tohoku
University)

NS-08-1 A prevalence of dementia in the elderlies after the
Great East Japan Earthquake

Speaker: Aiko Ishiki

(Department of Geriatrics and Gerontology, Institute of
Development, Aging and Cancer, Tohoku University)

NS-08-2 Cerebrovascular diseases after the Great East Japan
Earthquake and Tsunami 2011

Speaker: Shinichi Omama

(Department of Critical Care Medicine, Iwate Medical
University)

NS-08-3 Patients with seizures following the Great East-
Japan Earthquake

Speaker: Ichiyo Shibahara

(Sendai Medical Center, Department of Neurosurgery /
Kesennuma City Hospital, Department of Neurosurgery)

NS-08-4 Trend of Neurological Disorders after Disaster in
Iwate Prefecture

Speaker: Yasuo Terayama

(Division of Neurology and Gerontology, Department of
Internal Medicine, School of Medicine, Iwate Medical
University)

Neurology in Today's Society 9 (Proposed Symposium)

NS-09 May 22 (Fri) 13:30~15:30 Room3(Toki Messe201, 2F)

Clinical ethics in daily medical practice

Chairs: Koichiro Itai

(University of Miyazaki, Faculty of Medicine, Department of
Biomedical Ethics)

Masatoyo Nishizawa

(Department of Neurology, Brain Research Institute, Niigata
University)

NS-09-1 Epilepsy and automobile driving

Panelist: Kiyohito Terada

(Department of Neurology, Shizuoka Institute of Epilepsy and
Neurological Disorders)

NS-09-2 Self-determination in treatment decisions for
patients with dementia

Panelist: Masako Minooka

(Minooka Clinic)

NS-09-3 Disease notification for patients with
Creutzfeldt—Jakob disease

Panelist: Takayoshi Shimohata

(Department of Neurology, Brain Research Institute, Niigata
University)

NS-09-4 Discontinuation of artificial ventilation in patients
with amyotrophic lateral sclerosis

Panelist: Koichiro Itai

(University of Miyazaki, Faculty of Medicine, Department of
Biomedical Ethics)

Neurology in Today's Society 10 (Proposed Symposium)

NS-10 May 23 (Sat) 8:00~10:00 Room3(Toki Messe201, 2F)

Occupation and epilepsy: burden and social support

Chairs: Naoki Akamatsu

(School of Health Sciences at Fukuoka, International
University of Health and Welfare)

Kiyohito Terada

(NHO. Shizuoka Institute of Epilepsy and Neurological
Disorders)

**NS-10-1 Multiple factors cause employment issues for people
with epilepsy**

Speaker: Go Taniguchi

(Department of Neuropsychiatry, The University of Tokyo
Hospital/Department of Psychiatry, National Center of
Neurology and Psychiatry)

**NS-10-2 Patient education: An important issue for pediatric
patients with epilepsy.**

Speaker: Yosuke Kakisaka

(Department of Epileptology, Tohoku University School of
Medicine)

**NS-10-3 How should we set the goal in treating epilepsy for
working people?**

Speaker: Takahiro Mitsueda

(Otsu Red Cross Hospital, Department of Neurology)

**NS-10-4 Management and support for the worker with
epilepsy in the workplace**

Speaker: Mitsuhiko Yamano

(Department of Neurology, Tokai University School of
Medicine)

Sponsored by : The Japan Epilepsy Society
