

# Symposium 1

**S-1      May 20 (Wed)    13:15~15:15    Room13(Hotel Nikko NiigataToki-B, 4F)**

Toward a Success of Investigator-Initiated Clinical Trial

Chairs: Yoshiaki Uyama

(Office of Safety I , Pharmaceuticals and Medical Devices  
Agency)

Osamu Onodera

(Resource Branch for Brain Disease, Brain Research Institute  
(BRI), Niigata University)

S-1-1      An investigator initiated clinical trial for disease-  
modifying therapy of SBMA

Speaker: Gen Sobue

(Department of Neurology, Nagoya University Graduate  
School of Medicine)

S-1-2      Thalidomide trial for POEMS syndrome: An  
investigator-guided clinical trial

Speaker: Satoshi Kuwabara

(Department of Neurology, Graduate School of Medicine,  
Chiba University)

S-1-3      The Regulatory Framework of Investigator-  
Initiated Clinical Trials

Speaker: Ryo Iwase

(Licensing and Evaluation Division, Pharmaceutical and Food  
Safety Bureau, Ministry of Health, Labour and Welfare)

S-1-4      From PMDA's perspective

Speaker: Ken Sakushima

(Pharmaceuticals and Medical Devices Agency)

S-1-5      Suggestion from pharmaceutical industries about  
development of rare disease drug

Speaker: Osamu Inagaki

(Drug Evaluation Committee, Japan Pharmaceutical  
Manufacturers Association / Astellas Pharma Inc.)

## Symposium 2

**S-2      May 23 (Sat)    14:00~16:00    Room2(Toki Messe Main Hall B, 2F)**

Practice and training in the educational hospitals for Japanese Society of Neurology - Essential knowledge and skill, available educational resource and training for specialist of neurology -

Chairs: Kyoko Suzuki

(Department of Clinical Neuroscience, Yamagata University Graduate School of Med.)

Takashi Inuzuka

(Department of Neurology & Geriatrics, Gifu University, Graduate School of Medicine)

**S-2-1      Present situation and problems of postgraduate educational training**

Speaker: Satoshi Kamei

(Division of Neurology, Department of Neurology, Nihon University School of Medicine)

### 【Comments from the experts】

**S-2-2      Required backgrounds and educational resources of EMG for neurologists**

Speaker: Masahiro Sonoo

(Department of Neurology, Teikyo University School of Medicine)

**S-2-3      What neurologists should know about video-EEG monitoring and training centers**

Speaker: Naoki Akamatsu

(International University of Health and Welfare, School of Health Sciences at Fukuoka/Fukuoka Sannou Hospital, Neuroscience Center)

**S-2-4      Requirements, resources and training of neuroradiology for neurologists**

Speaker: Shigeki Aoki

(Department of Radiology, Juntendo University)

- S-2-5      Practical approach to neuropathology required for experts  
Speaker: Mari Yoshida  
(Institute for Medical Science of Aging, Aichi Medical University)
- S-2-6      Nerve and muscle biopsy for neurologists  
Speaker: Haruki Koike  
(Department of Neurology, Nagoya University Graduate School of Medicine)
- S-2-7      Educational system of certified neurosonologist  
Speaker: Yasuyuki Iguchi  
(Department of Neurology, Jikei University School of Medicine)
- S-2-8      How to learn mental status examination and cognitive assessments  
Speaker: Kyoko Suzuki  
(Department of Clinical Neuroscience, Yamagata University Graduate School of Medicine)
- S-2-9      Information of Pediatric Inherited Diseases for Neurologist  
Speaker: Nobuhiko Okamoto  
(Department of Medical Genetics, Osaka Medical Center and Research Institute)
- S-2-10     Fundamentals of Genetic Testing for Neurologists and Training Opportunities.  
Speaker: Tatsushi Toda  
(Division of Neurology, Kobe University Graduate School of Medicine)

## Symposium 3

**S-3     May 23 (Sat)   14:00~16:00   Room11 (Hotel Nikko Niigata Kujaku, 3F)**

Learning from other societies: gender equality

Chairs: Hiroko Nagai

(Oshiki Internal Medicine and Neurology Clinic)

Yoshikazu Ugawa

(Department of Neurology, Fukushima Medical University)

**S-3-1            Approach by the Japanese Society of Nephrology**

Speaker: Keiko Uchida

(Student Health Care Center and Kidney Center, Tokyo  
Women's Medical University)

**S-3-2            Approach by the Japanese Society of  
Gastroenterology**

Speaker: Sumiko Nagoshi

(Department of Gastroenterology and Hepatology, Saitama  
Medical Center, Saitama Medical University)

**S-3-3            Approach by the Japanese Circulation Society**

Speaker: Akiko Chishaki

(Faculty of Medical Sciences Department of Health Sciences,  
Kyushu University)

**S-3-4            Approach by the Japanese Association of  
Rehabilitation Medicine**

Speaker: Toyoko Asami

(Department of Rehabilitation Medicine, Saga University  
Hospital)

**S-3-5            Approach by the Japanese Society of Neurology:  
Now and future**

Speaker: Mieko Ogino

(Kitasato University School of Medicine, Research and  
Development Center for Medical Frontiers, Department of  
Comprehensive Medicine, Division of Integrated Care and  
Whole Person Care)
